

REMARKS

In the specification, paragraph [0001.1] has been added to reflect Applicants statement regarding federally sponsored research or development. No new matter is being added by the amendment, and entry thereof is respectfully solicited.

A preliminary amendment (a copy of which is attached) was filed, via facsimile, on March 25, 2004, but mistakenly indicated an incorrect application Serial No. thereon. This corrected preliminary amendment is being submitted to correct this error.

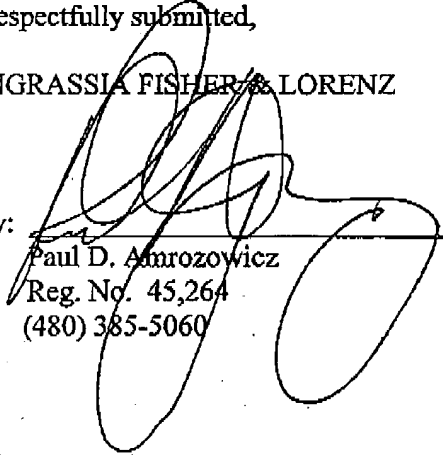

If for some reason Applicants have not requested a sufficient extension and/or have not paid a sufficient fee for this Preliminary Amendment and/or for the extension necessary to prevent abandonment on this application, please consider this as a request for an extension for the required time period and/or authorization to charge Deposit Account No. 50-2091 for any fee which may be due.

Respectfully submitted,

INGRASSIA FISHER & LORENZ
